**** See Note below if you are playing against Elm United Under 9's or Under 10's**

If you are playing against the Elm United Under 9's or Under 10's Mini Soccer teams then you are better to access the College via a different way.

Rather than turning left off of Novorossisk Road into Miller Way, continue up Novorossisk Road and then turn left into Dover Road. Then turn immediately left into Leypark Walk. There are gaps in the hedge and the Mini Soccer pitches are right in front of you.
